PROFILE

As a Junior Software Developer and aspiring Data Analyst, I am passionate about leveraging technology to create efficient solutions and uncover insights from data. With a strong foundation in software development and a keen interest in data analysis, I thrive in environments where I can learn, collaborate, and grow my technical skills.

I have experience working with programming languages such as Python, JavaScript, and SQL, and I am familiar with data visualization tools like Power BI and Tableau. I am also proficient in data cleaning, data processing, and using analytics to solve real-world problems.

WORK EXPERIENCE

Capaciti intern	2024 - PRESENT
Erism graduate program	2024 - REMOTE
